

FiMINT offers students*, postgraduates* und professors* the opportunity to get to know women* from the various MINT areas at the University of Paderborn.

Why FiMINT?

Women* in technical and scientific subjects value the networking among each other, as they are underrepresented. For Women*, networking can be the decisive piece of the puzzle within the scientific community and promote a target carer start. With FiMINT we create the right opportunities together: At podium discussions, round table meetings or company visits, contacts are made, carer opportunities discussed, carer paths presented and possible stumbling blocks removed.

Thanks FiMINT, Students* can already promote their academic success during their studies through the mutual exchange of information and experiences.

When does FiMINT take place?

We invite all MINT women* to a "meet & eat" in the **Mensula** on **15.05.2023**. At lunchtime we want to give you the opportunity to get to know each other, to network and to start a conversation.

„meet & eat“ 15.05.2023

12:00 p.m.-13:30 p.m. (Mensula)

Registration until **12.05.** by E-Mail to fgi@upb.de
