Campus Management Systems: integrated Software

Management of ...

What is PAUL ?

- **Integrated system to manage many issues of the university**
- **Central database**
- **Rich client front end for administrative tasks** (You will not see that)
- **Web client front end for students and teachers** (System demo later)

What is PAUL good for ?

- ➡ Achieve one centralised platform for organisation, information and activities related to all matters of your studies
- ➡ **Improve service for students**
 - ➡ **Online registration: avoid queuing**
 - ➡ **Online access to learning material, news, calendar, results of exams...**
- ➡ Improve service for lecturers and administrative staff
 - ➡ Supports administrative processes : efficiency
 - ➡ Supports planning processes : lectures, rooms, time tables, ...
 - ➡ Possibility of direct communication between lecturers and students via messaging components **(PAUL system messages)**

PAUL - the one Central Web Portal for Students

 You can reach the website at:

 <https://paul.uni-paderborn.de>

 After the log-in you may change to the English version

The screenshot shows the PAUL web portal interface. At the top, there is a header with the University of Paderborn logo and name. Below this is a navigation bar with a search bar and login fields for 'Benutzername:' and 'Passwort:'. To the right of the login fields are buttons for 'Anmelden', 'Deutsch', and 'English'. A red arrow points to the 'English' button. Below the navigation bar, there are four icons representing 'Home', 'Vorlesungsverzeichnis', 'Hilfe', and 'Bewerbung'. On the left side, there is a sidebar with links for 'Probleme beim Einloggen in PAUL', 'Impressum', and 'Datenschutzerklärung'. The main content area displays a welcome message: 'Willkommen bei PAUL, dem Paderborner Assistenzsystem für Universität und Lehre.' followed by a note about logging in with a Uni-Account and using the latest browser version.

 **Attention:** *to log in you need an IMT account and password!*

Registration for Lectures with Courses

Choose an appropriate set of modules and register

Courses are chosen implicitly with registration to lectures

Choose one lecture per course and register.
(in most cases there is a unique one)

The path from the root node to the module/lecture is denoted context of the registration

Registration for modules/lectures:

The screenshot shows the PAUL registration system interface. Red arrows and boxes highlight key features:

- 1**: Points to the "Registration for modules and courses" header.
- 2**: Points to the "Current Semester" link in the left sidebar.
- 3**: Points to the "Course Registration" link in the left sidebar.
- 4**: Points to the "Register" button in the course listing table.

A red box highlights the breadcrumb navigation: **Informatik Master v3 > Major Subject > Focus Areas > Algorithm Design**. A callout box states: "This is the context of the registration."

A red box highlights the "set automatically" link next to the "Registration for modules and courses" header.

The screenshot shows a web browser window with the URL `https://paul.uni-paderborn.de/scripts/mgrqispi.dll?APPNAME=Cam`. The page header includes the University of Paderborn logo and navigation links like Uni, UPB-Personen, Serviceportal, PAUL, BOS, PANDA, PAUL-Sharepoint, DLCC, Google Cloud, Miraculix, MySQL, and sciebo. Below the header, a status bar shows 'Name: PaulS Test-EIM on: 01.10.2019 on: 09:19' and language options for Deutsch and English, along with a log out button.

The main content area is titled 'Module registration' and features a sidebar with navigation links: Current Semester, Course Registration, My Registration, My Modules, Course Overview, Subject Choice, Language Course - Registration (ZfS), and Exam Information. The 'Course Registration' link is highlighted.

The 'Module registration' section contains a table with the following data:

No.	Name
M.079.4014	Clustering Algorithms

Below the table, there is a 'Next' button with a right arrow icon, which is highlighted by a red arrow. The PAUL logo is also visible in the top right corner of the main content area.
