

FiMINT offers students\*, doctoral candidates\* and professors\* the opportunity to get to know women\* from the various MINT areas at the University of Paderborn.

### Why FiMINT?

Women\* in technical and scientific subjects estimate networking with each other because they are underrepresented. Networking can be the crucial piece of the puzzle for women\* be within the scientific community and be targeted promote career entry.

With FiMINT we create the right opportunities together: at panel discussions, round table meetings or company visits, contacts are made, career opportunities discussed, career paths presented and possible stumbling blocks removed.

Thanks to FiMINT female students\* can promote their academic success already during their studies by exchanging information and experiences .

### When does FiMINT take place?

We invite all MINT-women\* to a „meet & eat“ in the **Mensa Academica** on February 8th, 2023. At lunchtime we want to give you the opportunity to get to know each other, to network and to start a conversation.
